

**China Plastic Mould Maker** -Huashi Mould, the history of the company goes back to 2003, when 24-year-old Zhu ventured on **plastic mould**. He started a small-scale production of custom tools for package industries. This niche has remained his ever since; only now on a much larger scale.

Today, HUASHI MOULD PLASTIC, with a turnover of USD 2,000,000, employs 60 people in huangyan-“mould hometown of china”. The top quality moulds are always being sought for 1 reason: the quality remains the best possible at any time..

Every mould is being produced in close cooperation with the customer. Moreover, no mould will be shipped without a test report or many times' testing.
